OUR JOURNEY TO

SEAFOOD THAT CELEBRATES!

Our 'Seafood that Celebrates' menu is a culinary journey that brings together the rich traditions of American coastlines with the bold and adventurous flavors of Asian seafood. At Chasin' Tails, we pride ourselves on crafting seafood dishes that celebrate life, love, family, community and our collective humanity.

Most of our dishes and garnishes including our seafood sauces are house-made from scratch and all seafood is prepared to order using only the freshest catch and finest ingredients. Our experienced culinary team, led by executive seafood chefs, invite you to dive into the exotic flavors and traditions of the sea, crafted with care and precision. We appreciate your patience and understanding as we prepare "Seafood that Celebrates" with the dedication it deserves.

ALL THE LOVE,

Chasin' Tails Team
